About Us

Sree Narayana Guru College of Engineering & Technology (SNGCET), established in 2003 under the aegis of **Sree Bhakthi Samvardhini Yogam, Kannur,** is a premier engineering institution located in Payyanur, Kerala. Approved by **AICTE** and affiliated with **APJ Abdul Kalam Technological University (KTU),** SNGCET is dedicated to delivering value-based technical education inspired by the teachings of the great social reformer **Sree Narayana Guru.**

Set across a lush 45-acre campus, the college offers undergraduate (B.Tech) programs in core and emerging branches—including Artificial Intelligence & Data Science, Computer Science, Civil, Mechanical, Electrical, and Electronics engineering—alongside postgraduate (M.Tech) studies. Equipped with modern laboratories, a digitally integrated central library and an active training and placement cell, SNGCET fosters academic excellence, technical innovation, and holistic student development.
